

## Purpose:

*“Older women likewise are to be reverent in their behavior. . .teaching what is good, so that they may encourage the younger women to love their husbands, to love their children, to be sensible, pure, workers at home, kind, being subject to their own husbands, so that the word of God is not dishonored.” Titus 2:3-5*

In Titus 2:3-5 we find one of the few commands in the New Testament strictly for women. Whether old, young, or in-between, women are to be meeting together to study God’s Word as it pertains specifically to them. Why? To honor God by being transformed by His Word rather than being conformed to the world.

One avenue for obedience to this command is provided through Titus Two’s Day, a Bible study/fellowship for women devoted to studying the aspects outlined in Titus 2 (regardless of marital status). Here you will find equipping and encouragement to pursue God’s design for you as a woman. **Therefore, the purpose of Titus Two’s Day is for women to grow in their relationship to Christ through fellowship and sound biblical teaching: Teaching which transforms character and effects every area of life.**

### Key areas include:

- ◇ **Servant:** Biblical womanhood starts here. Your heart attitude toward the Lord determines everything in life. Are you surrendered to Him? The heart will be emphasized on a continual basis in Titus Two’s Day.
- ◇ **Helpmate:** Topics will include equality and diversity, complementing, encouraging, caring for, submitting to, and appealing biblically to your husband.
- ◇ **Nurturer:** The Christian woman nurtures others both in and out of the home with her own children and with God’s family. We will study her divine design as “nurturer” and how she can carry out that design.
- ◇ **Cultivator of Home:** This is not really about decorating the house; rather, how does your home affect the people who live and visit there? Could you use words like revitalize, nourish, empower, equip and comfort to describe life in your home? We will consider ways to use our homes for God’s glory, including hospitality and the proper care and feeding of loved ones, neighbors, and church family.

## Format & Location:

### Announcing a change in venue.

Titus Two will now be meeting in homes. There will be two studies on Tuesday mornings, and one study on Monday night — each study will be using the same format of meeting — the first, third, and fourth Mon./Tues. of the month. Because we do not want to lose the group camaraderie and mutual encouragement that has been experienced since the conception of this ministry, the entire group of women will come together four times during the year on a Tuesday morning at the building for Bible study and fellowship. Women are encouraged to invite friends and neighbors to join the study at any point during the year.

## *Child Care Policy:*

Child care is by registration (including home-schooled children). You will be considered registered for the entire year. *(If during the course of a year, you would like to bring a friend, please feel free to do so. There will be no charge for a first-time visitor. If they decide to begin coming to Titus Two's, then thereafter they will need to register.)*

NOTE: If you decide to register and will not be bringing your child/children on any given week, you must call and inform the coordinator, even if it is a last minute absence the morning of the study. This helps with staffing for child care, which is based week to week on the number of children who will be present ***(This is for those who are registered attendees, not those who are first-time visitors).*** We greatly appreciate your help in this way!
